behind the police tape.

All at once five people ran under the tape and ran up onto the property and sat on the front steps at the house, knowing they had no right to do so and having been told not to cross the tape line.

This action prevented the movers from continuing to perform their operation.

All five persons (A)'s were arrested without incident and all interviewed to booking via the wagon.

The representative of the property owner provided a written deposition regarding the property.
