ARTICLE 1
PURPOSE OF AGREEMENT
The purpose of this agreement is to provide orderly collective bargaining relations between the City of Rochester and the Rochester Police Locust Club, Inc., to secure prompt and equitable disposition of grievances, and to establish fair wages, hours and working conditions for the employees covered by the agreement.

The City will not interfere with, restrain, or coerce employees because of membership in or lawful activity on behalf of the Club and will not attempt to dominate or interfere with the Club, nor will the City discriminate in regard to hiring or promotion or tenure of employment or encourage or discourage membership in the Club. It is understood that membership in or lawful activity on behalf of the Club shall not interfere with the employees' duties nor with the carrying out of the responsibilities of the Rochester Police Department.
SECTION 3: Management Rights

The Club recognizes that it is the responsibility of the City to maintain discipline and efficiency within the Rochester Police Department, and that said Department has the right of management to hire, discipline, and discharge employees for just cause as provided for in the rules and regulations of the Rochester Police Department, subject to the right of appeal pursuant to the Civil Service Law, and/or the Municipal Code.

The testing procedures are to be conducted by the Monroe County Civil Service Commission or to be of a type and standard approved by the Monroe County Civil Service Commission. 2. Give serious and due consideration to the suggestions of the Committee.

3. Inform the Committee of his decision on their suggestions and the reasons therefore.

A member of the department will be eligible for sick leave only when suffering from an illness or injury that would prevent the performance of duty. He will not feign sickness or injury; nor will he attempt to deceive any physician, surgeon, commanding officer or other competent authority concerning his physical condition.

SECTION 3: Bills for Services

Bills for professional service by private medical or surgical specialists rendered to members injured on duty will not be paid from City funds unless such services are provided by express order of the police physician. This rule will not apply to necessary first aid or emergency services rendered in cases of injury in the line of duty.

SECTION 4: Discontinued Tours

When a member discontinues his tour of duty due to injury or illness, he will be on sick leave and will be subject to all the regulations of this sick leave article and applicable general orders. SECTION 5: City Responsibility for Bills

The City will not be responsible for bills rendered for medical treatment arising from illness on or off duty except wherein such illness results from contact while on duty.

SECTION 6: Sick Leave Allowance

A member of the Department may be permitted up to six months of continual sick leave, including regularly scheduled days off, for any illness or injury not sustained in the line of duty. If unable to return to duty after this period, his case will be reviewed by the Chief in consultation with the Police physician, and one of the following determinations will be made:
1. Temporary termination from the payroll with reinstatement rights at any time within one year.
2. Retirement from active service if so entitled.
3. Dismissal from the Department.
4. An extension of sick leave.

SECTION 7: Obligation of Officer on Sick Leave to Remain at Home or in Place of Confinement.

Unless authorized by his immediate commanding officer, a member of the Department on sick leave will not leave his residence or place of confinement except for the purpose of obtaining medical attention or treatment. Any member who must be moved from his residence to a hospital or other place for treatment will notify his commanding officer and will report in like manner when he leaves the hospital or other place of treatment to return to his residence. The Commanding Officer's decision may be appealed to higher command or, ultimately, to the Police physician.

ARTICLE 9

PERSONAL LEAVE FOR PERFECT ATTENDANCE

Effective July 1, 1974 employees covered by this agreement will earn one (1) day of personal leave for each three (3) months of perfect attendance. The employee may use such leave for any purpose subject to advance approval of his absence. The employee may accumulate up to four (4) days of personal leave for this purpose, which may be carried across contract or fiscal years, provided that the four (4) day maximum is not exceeded.

ARTICLE 10

2. Give serious and due consideration to the suggestions of the Committee.
3. Inform the Committee of his decision on their suggestions and the reasons therefore.

SECTION 2: Emergency Situations

In the event the Chief determines that a serious emergency exists, he may cancel or terminate furloughs, provided, however, that he first exhausts all additional manpower available through call-in procedures. In the event of a declared emergency, the Chief may terminate or cancel furloughs immediately.

SECTION 3: Choice and Retention of Furloughs

Choice of furlough dates will be based on seniority as defined in Article 22. An employee who has chosen his furlough will not lose his choice by reason of transfer. Furloughs may be chosen during any period of the year within the limitations set forth in Section 2 above.

SECTION 4: Vacation Allowance

The City will grant vacation based on the number of years of service completed at the beginning of the calendar year as follows:

<table>
