ROCHESTER POLICE DEPARTMENT INCIDENT REPORT

2013-00214075

(A) Fineout came to the Rochester Police Headquarters located at 185 Exchange Blvd on 07/28/13 at approximately 1700 hrs to bail someone out from the Monroe County Jail. When I, Officer Klinkman, told (A) that we needed the exact amount of cash for the bail amount she became upset and loudly said "are you fucking kidding me." I told (A) not to swear in the police department. (A) then left the building very angry and went to get change. Upon returning (A) continued to be loud and belligerent during the processing of the bail, stating that she had a bad day and didn't find anything wrong with saying "fuck" in the police station. I told (A) that most officers would have already arrested her for her behavior at this point and tried to calm her down. Still, during the entire bail process she was belligerent, argumentative, and loud. I came out from behind the HQ desk and told (A) that she was under arrest and to put her hands behind her back. (A) refused to do so and swung her arms away from me while attempting to walk/run away to avoid being arrested. I told (A) to put her hands behind her back and she continued to refuse. While trying to get away from me, (A) yelled to three gentlemen "help get her (the officer) away from me." She pulled her arms away from me and tried to walk/run towards the exterior doors of the building to get away. I had to use force to finally get (A) into handcuffs.

The three males in the lobby at the time that (A) resisted arrest, (W1), (W2), and (W3). (W1) and (W2) said that they did not want to get involved in the incident when I asked them if I could depose them about what they had seen. I didn't talk to (W3) about the incident before he left.

Ofc Stewart took over custody of (A) at this point, took photos of her, and transported her to the eyewash station at the PSB so that (A) could wash her eyes out. Ofc Stewart then transported (A) to the Monroe County Jail. (A) did not complain of any injuries at the scene following this incident. Sgt Manfredi was onscene following the incident and located video of it on the RPD Cameras. He made a CD of the video and turned it into the property clerk's office as evidence. (A) was given back the bail money that she was trying to use to bail someone out because she was unable to finish the bail process due to her being arrested. I brought the money to Sgt Manfredi, who counted it and put the money in her purse as she watched.
