Subject: Resignation of Recruit Firefighter Abasi Kitt

Chief Salvatore Mitrano,

I am resigning from the Fall 2013 firefighter recruit class due to the fact that I have an injury, I am unable to perform physically, and cannot continue to advance with the remainder of the class.

During my exit interview with Executive Deputy Chief Bill Curran and Deputy Chief Bill Holtz, Battalion Chief Rich Yackel, and Captain Bob Shaw, I was given the opportunity to express any and all concerns pertaining to the recruit class, including instructional material, training techniques, and trainers. I stated that all of the above were conducted in a professional manner and I was treated in a fair and respectful way during my time in the firefighter recruit class.

Respectfully submitted,

Abasi Kitt
